Carmel High School
520 East Main Street
Carmel, Indiana

Focusing on 1980-81, the cameras caught the true spirit of Carmel with the Greyhounds constantly in the spotlight. Working our way to the top and striving to stay there in every aspect of school life is the goal of academically, musically, and athletically inclined students.

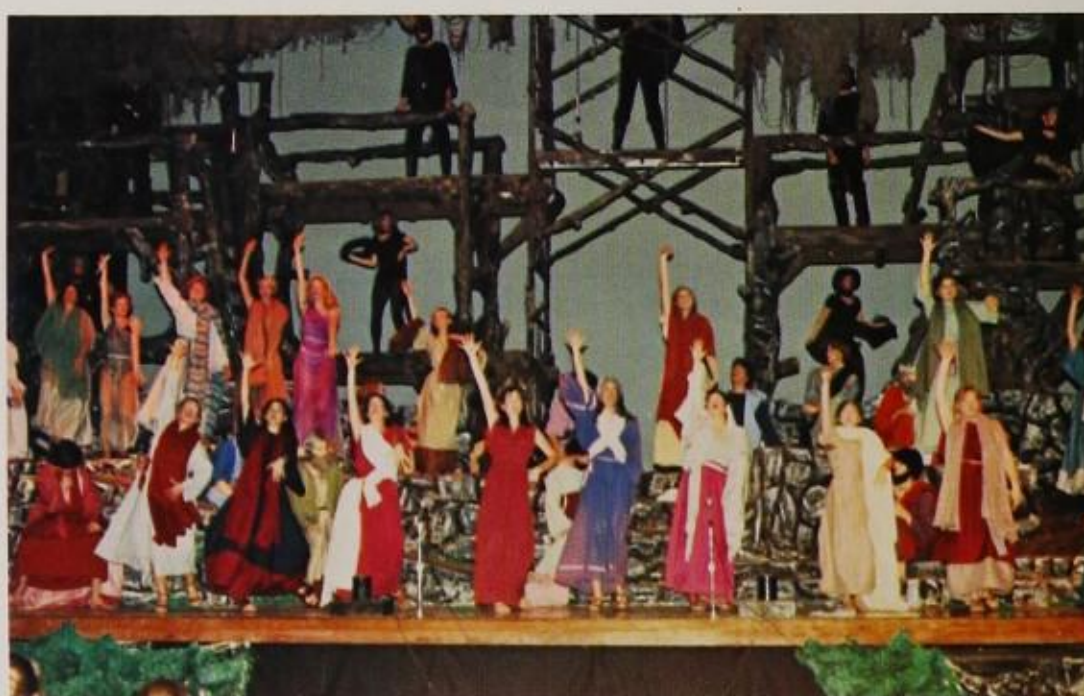

CHS symbolizes academic excellence. Nine Carmel students were chosen as National Merit Semi-Finalists. Through hard work, others received math, science, and English awards. Each year our student body includes many Hoosier Scholars.

In music, judges listen with unimaginable pleasure as the choirs and the bands sing and play their way into everyone's heart. In State Fair competition, our Marching Band ob-

tained an impressionable seventh place out of the thirty-five who entered.

The Greyhounds have maintained a high reputation of respectability and leadership by capturing three state titles in one year. Our football team overpowered every contender. The boys tennis team crushed North Central for the first time in Carmel history, destroying Central hopes of winning State and proving that Carmel really is Number One. Never before had the girls golf team reached the final and come home victorious. This year they achieved that goal.

The focus of attention is now on Carmel. The lens, pointed our way, exposes CANDID CARMEL!

After the long practices in the blazing summer sun, the band participated in the Indiana State Fair Contest. With an outstanding performance in the morning competition, the CHS band was one of sixteen chosen from the thirty-five original competitors to perform in the evening contest. The band, after producing a dazzling show, was awarded seventh place.

In preparation for Band Day, the Marching Greyhounds practiced all summer long and attended Manchester Band Camp. As their alarm clocks went off in the early morning hours, band members reluctantly awakened expecting another long day of parched throats and aching feet. After each practice, they dragged themselves home and fell into bed. There was a change of pace, however, when they participated in their traditional shaving cream fight.

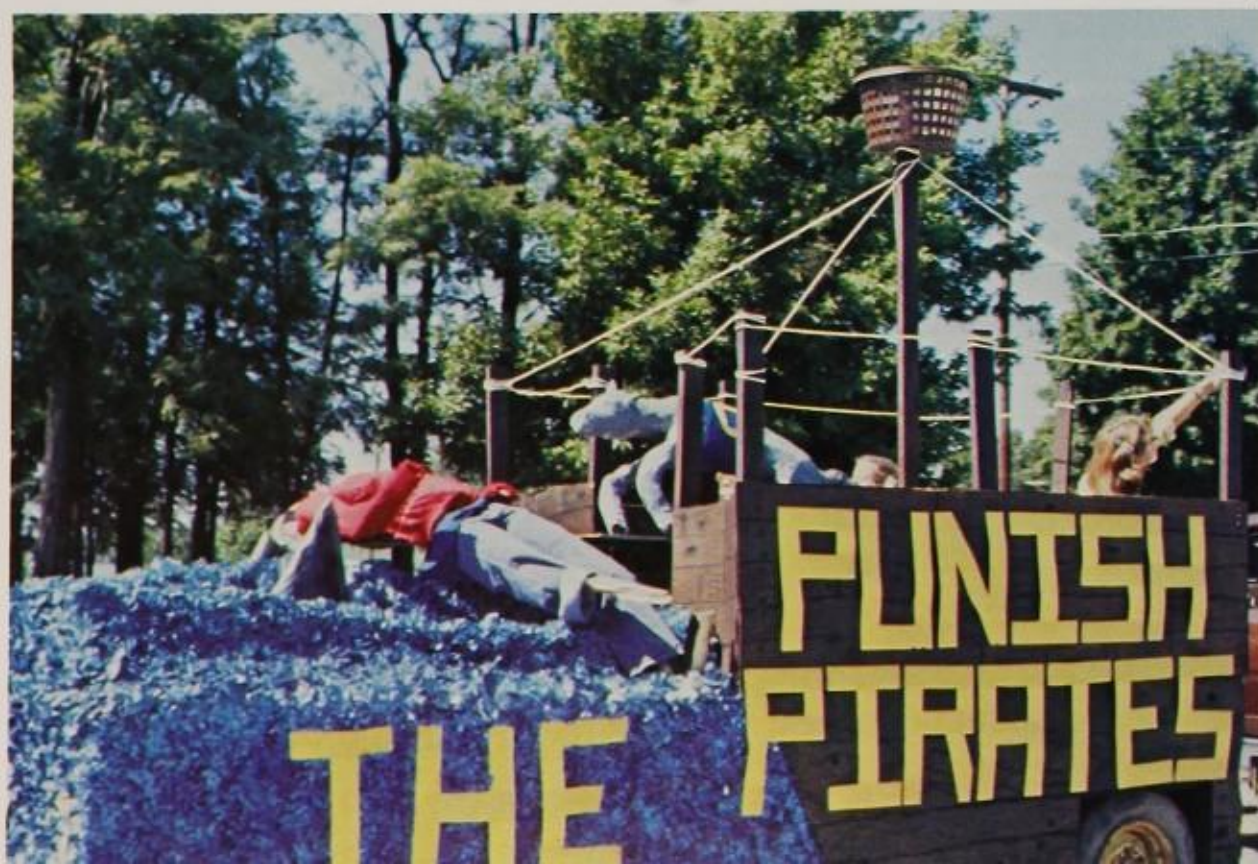

Displaying their talent at the games, the Marching Greyhounds put on tremendous half-time shows highlighting the football season.

A trike race, a parade of floats, the Marching Band, and bus loads of football players started Homecoming '80. The annual celebration honored all C.H.S. alumni and students with activities throughout the weekend.

The football team kept the scoreboard in continual motion with touchdown after touchdown. The Madison team allowed for another Carmel victory at 61-7.

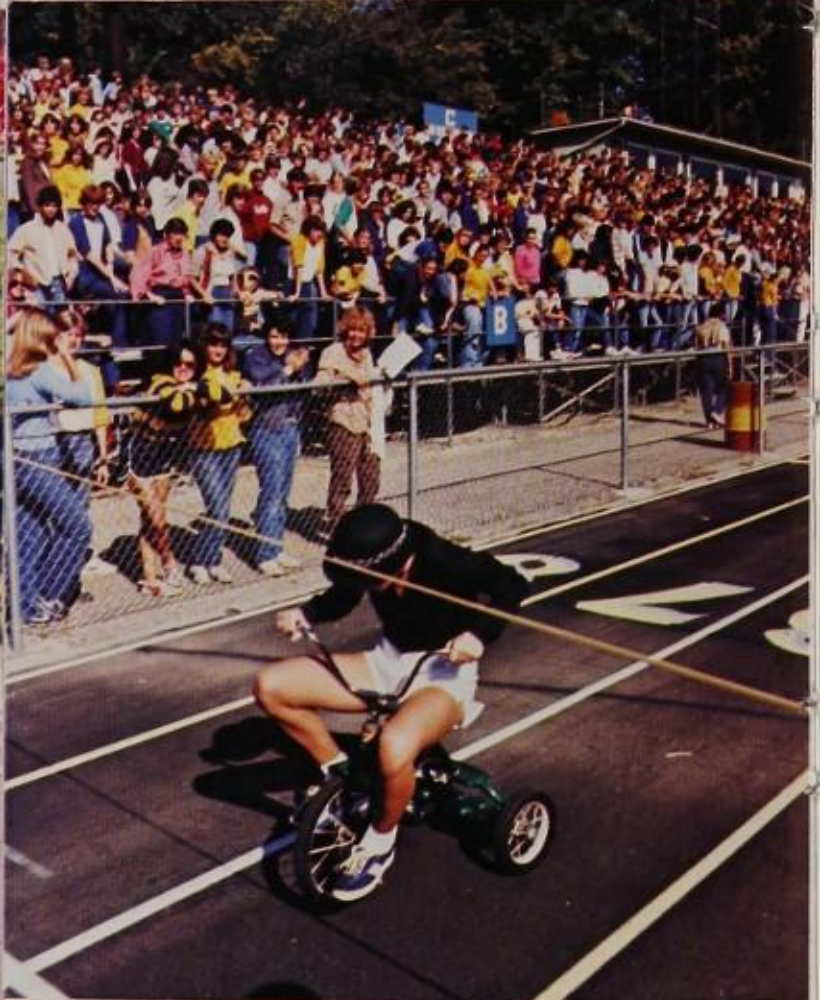

During halftime, a peppy performance by the Marching Band, the display of the floats, and the announcement of the new '80 Homecoming Queen kept the fans in a constant state of excitement.

4 On Saturday night, the Homecoming dance was held. Adorned

with colorful decorations, the cafeteria turned from a busy lunchroom to a romantic dance floor. Students spent many hours before the dance in preparation for the occasion. Girls worked all day curling their hair and adding finishing touches to their dresses and make-up. Boys dashed to florists to pick up colorful corsages.

The dance completed Homecoming '80, but some students were already looking forward to '81 when, once again, students and alumni would celebrate together.

Swirly Squad lays a patch

On a clear day, September 19, the student body rushed to the football stands to view the first CHS Homecoming Tricycle Race. This unique race was a major attraction starting the Homecoming festivities.

In due time, the first heat participants, students and faculty members, hustled to their starting positions on the track. At the sound of the gun, the trikes sped away with all tires skimming the surface of the asphalt.

As the winners of each heat were announced, tension grew. The crowd's enthusiasm sparked the riders to pedal their quickest. Meanwhile, the previous winners were arranging their team members around the course to prepare for the last rally.

In the final round, various winners pedaled off heading for the blue ribbon. As several cyclists rounded the third turn, the roar of the fans was deafening when Scott Sanford, of the Swirly Squad, snapped the ribbon as he crossed the finish line for the victory.

Allegro '81, under the direction of Mr. Ben Loveall, provided colorful entertainment on May 8 and 9. Featuring the Coquettes and the Flag Corps, the bands—through musical selections—presented various countries.

The Coquettes opened the show with a lively dance arrangement on a metropolitan set. They were followed by several groups of talented students. The trombone, trumpet, and flute sections each created harmony. A percussion and jazz ensemble then traveled south of the border to play several South American tunes.

Mr. Knowles thrilled the audience with his singing of selections from *Man of La Mancha* as well as "I Am the Nation" and "America the Beautiful."

The program closed with the performers back in America. Carrying American flags, the Coquettes marched to the stage as the band played "Stars and Stripes Forever." It was a spectacular finale.

Art students are creative

The Art Department brings to Carmel students unbelievable opportunities to broaden the scope of their talents. This department, headed by Mr. Heuing, offers everything from basic drawing and design to commercial art. Students spent the year developing their skill through trial and error. Toward the end of the year came the annual spring art show which displayed the finest efforts of many art students. One senior stated, "I feel like it's fun instead of work."

Students develop skills

The Home Economics Department, headed by Mrs. Betty Roose, was full of excitement this year. Under the guidance of qualified instructors, students learned new skills for living. While they stitched their way through skirts, blouses, and other creative projects in the sewing rooms, down the hall ambitious students participated in the enriching experience of Child Care. Happy little youngsters played while interested girls observed them. Many other valuable courses were in action. Child Development, Crafts, Family Living, Personal Awareness, Singles Survival, and Tailoring were just a few. The Home Economics Department helped students prepare themselves for life after graduation.

The Industrial Arts Department, headed by Mr. Lamb, provided on-the-job training for the students. Skills learned aided the students toward their future vocation or avocation. Among the courses offered were: Manufacturing, wherein the students formed a company and produced a product; Printing, in which both Junior High School newspapers were produced each month; and Building Trades, in which students built a house for sale near Westfield. Auto Mechanics and Small Engines gave students experience in major repair work.

"Words . . . words . . . words." English classes were full of them. While seniors were engrossed in Independent Reading or Advanced Comp., juniors coped with Comp./Lit. and sophomores took Core. Popular electives were Am. Writers, Greek & Latin Derivatives, and Speech I.

The English Department, headed by Mrs. LaVonne Carnahan, offered not only a variety of courses but also a variety of experiences. AV materials, special speakers, skits, and field trips gave students a change of routine.

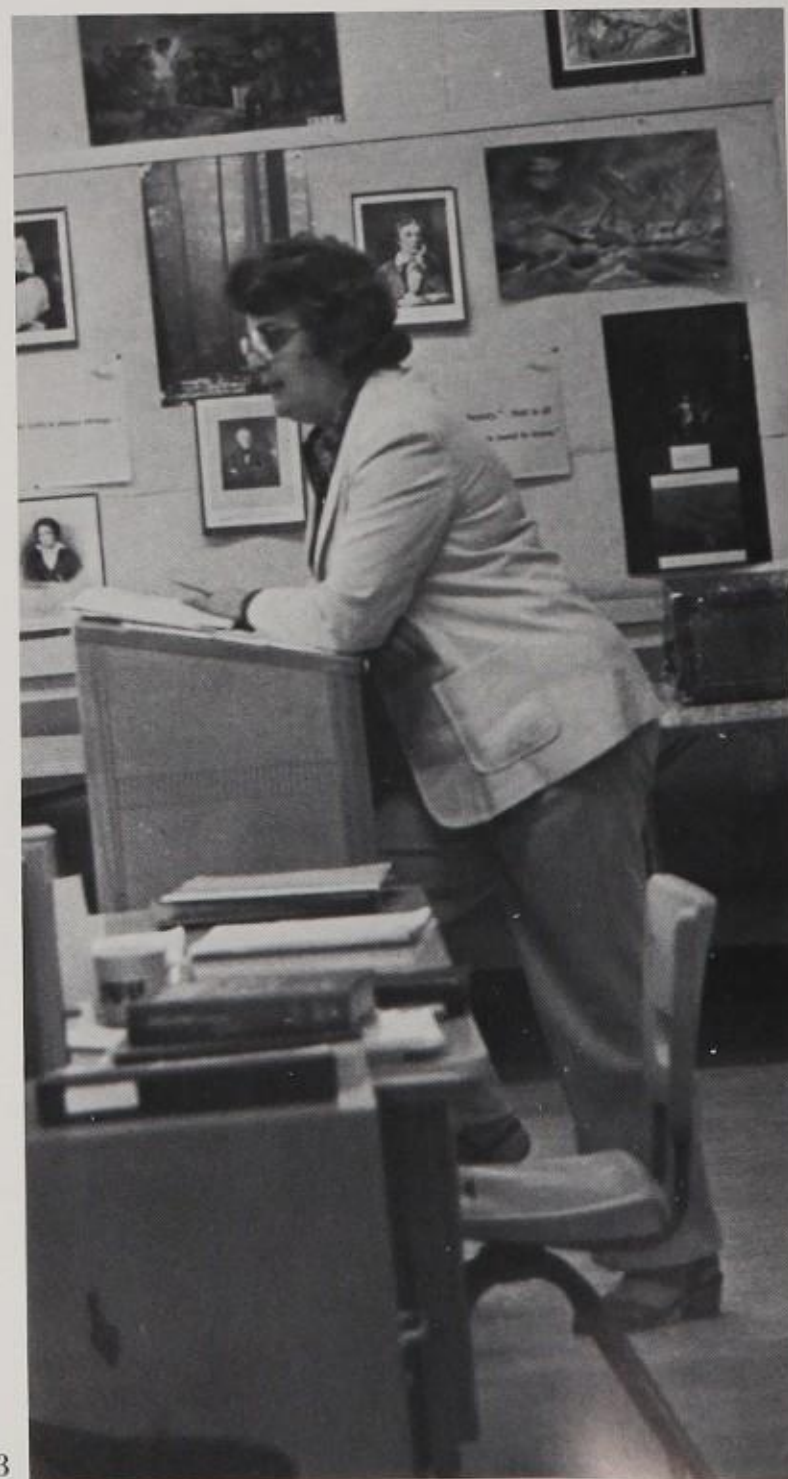

In October, Indiana University awarded a Certificate of Recognition to the English Department for outstanding preparation of Carmel students at I.U.

The *Preludes* staff, headed by Mr. Doug Estell and Mrs. Carol Jennings, met on Wednesdays to work on Carmel's literary magazine. *Preludes* is composed of various poems, stories, and art work submitted by CHS students. On the days that the staff met, they spent many hours looking over the work that had been submitted. After careful thought, they decided on the work that would be published for everyone to enjoy. *Preludes* has received the Medalist Certificate (awarded by the Columbia Scholastic Press Association) for the past two years. This year's cover was designed by Rick Dowden.

Students experience foreign cultures

The Foreign Language Department, headed by Ms. Hensley, offers Spanish, French, Latin and German. After accepting the challenge of learning the ways of another culture, students first learned the basics of their new language. When students had mastered pronunciation and grammar rules, they learned the life styles and society rules to accompany their new language. Guest speakers, films, recordings, photographs, and field trips were used to help students experience foreign culture.

Business is booming

The Business Department, headed by Mr. Blackwell, helped students to prepare themselves for life outside of high school. Making payrolls, balancing checkbooks, and completing income tax forms were just a few of the important aspects of business taught in accounting classes. Distributive Education classes taught students salesmanship procedures and helped students find employment in local businesses.

The Business Department offered two clubs: DECA, and OEA. DECA is concerned with marketing and distribution in the classroom as well as on the job. OEA is dedicated to helping the students in office occupations.

How to excel in math was the question that Mr. Stoeckinger, Head of the Math Department, and the other staff members dealt with this year. In part, it was up to the student to find the solutions. Some tried to find the value for the variable X in algebra while others struggled with sines, cosines, and tangents in trigonometry.

Homework was a well-known "friend" for those enrolled in a math class. Students received assignments ranging from a one-page proof in geometry to two pages of problems in algebra. The annual ciphering contest took place in mid-March. Each individual math class participated, but there was also individual competition. The overall individual winner was Todd Witsken (also the State Champion in tennis this year).

For those more involved, there was the Mu Alpha Theta Math Club. Number games dealing with personal knowledge and skill were included in the activities.

Science begins

The key to these scientific studies ... **OBSERVATION.**

The Science Department, headed by Mr. Jon Mayfield, provided CHS students with a number of challenging courses. Biology, botany, zoology, physics and chemistry made students more aware of the scientific world.

In the Social Studies Department, headed by Mr. Garretson, students learn about government, U.S. history, world history, economics, psychology, and sociology. Teachers use lectures, simulations, and audio-visual materials to help students enjoy and understand social studies. This year the department held a mock election in which students and faculty participated.

Gym, headed by Mr. John Pesavento, was a year full of fun and fitness. Sophomores, who were required to take physical education, participated in a variety of sports. Taking part in track, swimming, rollerskating, physical conditioning, tennis, volleyball, self-defense, soccer, softball, and badminton increased the students' physical capabilities.

Swimming was a class full of memories. From the wet bathing suits to the freezing water, students survived their swimming courses. Girls were constantly rushing to the locker rooms after swim class attempting to dry their hair, dress, and put on their makeup in fifteen minutes. As the girls got ready for their next class, they frequently encountered problems. The showers often became cold and fuses were repeatedly being blown.

To add variety, gym teachers arranged a rollerskating unit, a self-defense course, and recreational games.

At the end of the year, CHS students were in shape for the summer fun.

1. David Boyton, John Hoyt, and Tim Coolon run for fun. 2. Sophomore girls participate in an afternoon football game. 3. A sophomore gym student practices her soccer skills. 4. Shoot for Fun

Send up a cheer

The CHS cheerleaders once again proved just how important they were throughout the year. Whether it be football or basketball, they always provided the pep and spirit needed during tense moments as well as the crowd-roaring moments of victory. However, their enthusiasm went far beyond just leading the cheers. They showed their team support by making locker signs, baking "goodies," painting house signs, and decorating the bedrooms of each of the players. The encouragement and energy provided by the cheerleaders was yet another reason for a successful year in sports.

The Math Club, Mu Alpha Theta, is open to any student who wishes to expand his or her mathematical skills. The Club, sponsored by Mrs. Pearce and Mr. Shah, began activities with an initiation breakfast. Other activities included guest speakers, who would speak on a math-related subject and then give out math games for the members to work on and discuss at the next meeting.

The purpose of the Office Education Association (OEA) is to promote business education and to give students a chance to participate and compete at various interest levels. Some of these levels are: speech, shorthand, job manual, accounting, business arithmetic, and job interview. Greg Smith, elected District 5 Vice President, competed at district and state levels in accounting, and

went on to the Nationals. Mary Meyers placed third in district competition in accounting and went on to state competition. The club, sponsored by Miss Baker, raised money to help a needy family enjoy Thanksgiving dinner. OEA also sponsored National Secretary Week in April. The club finished activities with a banquet to honor the participants.

Thespians act up

Thespian Troop #3315, sponsored by Mr. Fox, Mr. Knowles, and Mrs. Kestner, had their hands full this year. The Thespians were involved in five major projects which included: *The Lion, The Witch, and The Wardrobe*, *Night of One Acts*, *Kiss and Tell*, *Allegro*, and *Jesus Christ Superstar*.

The stage is a place of crazy activity—from flying brooms to hours of sewing Biblical costumes. Not too many people will forget rehearsing on a still-wet wheat-paste set. One of the most memorable occasions was the Thespian car wash—suds everywhere! There were also bags and boxes of candy canes to be delivered. Yes, the Thespians did have their hands full this year.

Hounds take AAA crown

"Winning a state championship has to be the high point of anybody's season," said Coach Belden. "It's a dream come true for all of us." The respect, unselfishness, and ability to play together are some outstanding qualities that led us to this state championship. This season, our boys really worked up a sweat to bring home the gold."

State Runner-Up

The cross country team won the semi-state championship. Coach Koeppen stated, "Our team has learned the importance of pride and tradition. They also have gained insight into what it takes to be champions."

One of Carmel's leading runners, Adam Smith (junior), established a new school record in the State Meet of 15:20.6. The cross country racing distance in Indiana was 5000 meters (3.1 miles).

With the returning lettermen, as well as the upcoming sophomores, the prospects for next year's team look very good. Coach Koeppen says, "If they work hard and dedicate themselves, a State Championship is quite a possibility."

Hounds rebuild

This year proved to be a rebuilding time for the Hounds. Mr. Larry Angle, coaching a young team, had to fill the shoes of five graduating seniors. Many times throughout the year the Hounds seemed en route to victory only to lose in the final

Senior Mike Goens (leading scorer) finished third in State and was nominated Most Valuable Player. Other qualifiers for Semi-State were Mike Silverman, Dan Hansman, Kyle Jones, and Dave Petruzzi. The three captains—Kyle Jones, John Cann, and Dan Hansman—were outstanding leaders. "We were low on numbers and gave up about eleven points to the other teams each meet—uncontested. Our swimmers still worked hard. They were characters that gained even more character. I enjoyed them a great deal," commented Coach Ray Lawrence of the boys swim team.

Despite the low number of competitors, the team put forth their best efforts. Dan Joyner, a senior, had a good season this year. He came within one tenth of a second of the school record in the 100 fly.

Due to the ingenuity of the team, much spirit was devised. In the final meet against Southport, every time a Carmel swimmer was announced the team played a recording of the Carmel fans over the P.A. system. This enthusiasm inspired them for a final victory.

On his final length of fly, Bob Nolan speeds up to the finish.

Hounds advance to Semi-State

The 1981 baseball team, coached by Mr. Platt, started right with three outstanding Senior players: Rob Winstead (first base), Brian Rundle (outfield) and Jon Hufford (short-stop). When asked what the team had gained this year, Mr. Platt replied, "Hopefully, the importance of fundamentals in the game of baseball." When asked about the high points in the season, the coach described a season that kept fluctuating. Carmel's most notable wins in the regular season were against Hamilton Heights, Brebeuf, and Zionsville. The school homerun record was broken.

1. Rob Winstead is congratulated by his teammates for a home run. 2. Coach Platt gives a discouraging look when a Carmel player strikes out.

Hounds 3rd at Regional

Coach Koeppen's trackmen, true to tradition, went undefeated in their dual season. Led by a strong nucleus of underclassmen, the Hounds placed second in the North Central Relays, losing to highly touted Washington by only one point. One of the sweetest victories was avenging last year's loss to Ft. Wayne Northrop. Eighth-ranked Carmel rolled over fourth-ranked Northrop in a stunning victory. In the Sectionals, Carmel had three champions and advanced six other individuals to Regionals. Sophomore Richie Garing not only won the 3200 meters but set a new Sectional record as well. Wayne Smith leaped to first place with a record jump of 22'7". Scott Cripe, who was second

in the discus last year, won the event this year. Mike and Astor Davis teamed up with Rob McCrary and Steve Hunsucker to place second in the 400 relay while setting a new school record. Hounds took third in Regionals. Richie Garing was the winner in the 3200 meters, breaking the old regional record. Rob McCrary and Wayne Smith were first and second in the long jump, with McCrary breaking the regional record. The relay team placed second advancing them to State. Astor Davis was the only Hound to qualify in three events. Davis qualified in the 100 and 200 meters and in the 400 relay. This season was one of the best ever.

The outstanding players were: Srs: Scott Horsfield, Scott Eiker, Dave Brentlinger. Jrs: Jeff Deering and John Adams. Soph: Tom Belobraydic. The outstanding score was made by Jeff Deering who made a 69, which is one under par. This score equals one record that has already been made. The outstanding player of the season was Martha Foyer, who has been State Medalist for two consecutive years. According to Coach Quillin, Martha "is the best high school golfer in the state."

Coach Quillin stated "This may
3 very well have been the best girls

golf team that the state of Indiana has ever had. They not only won, but they completely dominated all their opponents. I have enjoyed this year because all of these girls are as sweet as they are talented."

The volleyball team finished its finest season ever with a 24-4 record. This year was highlighted by many exciting events. For the fourth time in five years, they won the Madison Heights Invitational. They finished runner-up to Muncie North in the Carmel Invitational. Previously top-ranked Ben Davis fell to the Hounds in regular season 15-2, 15-1. It was the first time in six years that one of Coach Pearson's squads defeated the Giants. The girls won Sectionals for the eighth consecutive year and advanced to Regionals. It was there that the Greyhounds, who were ignored in state rankings all year, knocked off Muncie North, a team ranked no lower than fifth throughout the year. When the Hounds advanced to the final eight, they made Carmel history as the first volleyball team to make it to State. There, they were defeated by Jennings County 2-1. Susie Kinney was voted Most Valuable Player for the second consecutive year.

Coach Sharon Eskew feels that teamwork was an achievement during the 1981 season. This was the key to defeats against the rated teams of Columbus East, Southport, and Anderson Madison Heights. Junior Martha Foyer and sophomore Sherrie Voyles were the most outstanding players of the season.

Girls runner-up at Celebrate good times!

1. TEAM: row 1—Kim Martin, Corey Dine, Nancy Feiwell, Angela Day, Ann Titsworth, Stephanie Spardone, Judy Coyne, Sandy Yunk, Kristi Peloff, Gina Petit, row 2—Coach Sharon Rosenburgh, Manager Kay Heckman, Sheri Voyles, Elizabeth Hayes, Noreen Roth, Susie Holmes, Susan Bass, Sarah Hovde, Sara Turner, Linda Irwin, Babbie Bonson, Ann Cameron, Martha Eberts, Jill Matson.

The 1981 girls tennis team had one of the best seasons ever. The three most thrilling events of the season were the triumph over North Central, the second Sectional win in a row, and a runner-up spot at the Regional (which paved the way to State). Great depth in both singles and doubles led Coach Rosenburgh's Hounds to success. The only Greyhound loss came from the defending State Champs, Brebeuf.

Carmel was fortunate to have three State-ranked players on the team: Susan Bass, Martha Eberts, and Kim Martin. In the Sectional and Regional, these three held on to give the Hounds their first try for State.

By the end of the season, all twenty-three girls were one big happy family ready to "celebrate good times."

Zahorsky wins Regional

"This year's team was very young and inexperienced as twenty-three members were sophomores. Their good attitudes and competitiveness helped us to have the most successful track season ever. The few upper classmen on the team provided excellent leadership for the younger members," stated Coach Peggy Cougill as she discussed the 1981 track season.

Placing 2nd at the Southmont Invitational, 3rd out of twenty teams at the Sectional, and advancing seven people to the Regional, and Barb Zahorsky to State, were all high points of the track season.

Senior Marilee Evans was voted Most Valuable Player and Michelle Beard and Monica Rose were the Most Promising Sophomores.

1. Michelle Beard runs to a win in the hurdles. 2. Barb Zahorsky psychs herself up for her next jump. 3. The coaches watch for better times. 4. As another senior class approached graduation, certain characteristics emerged to give this class, as every other, a personality of its own.

Some of the seniors were asked to come up with five things they considered to be important during their final year in high school. The students were approached with the question on the same day they were to get out for Christmas Vacation because spirits were high and responses were sure to be interesting.

The more interesting responses received were:

1. Diploma
2. A clean car
3. Getting a good tan
4. Getting a good job, so I can make my car payment
5. For my grandma to get well
6. To become a millionaire before I'm thirty
7. Rock 'n' Roll
8. Electricity
9. A bottle of wine
10. Really finding myself
11. Being surrounded by people I love
12. A good self-image
13. Happy holidays with Santa Claus coming down the chimney
14. Getting a coke, now!
15. Time for myself
16. A date for New Year's Eve
17. To have the hostages back home
18. Being engaged
19. People not asking me what is important to me
20. Memories
21. World peace
22. A social life
23. Eight hours of sleep
24. Being a liberator of oppressed peoples of the world

CLASS SONG

We are the Junior Class,
We'll never be surpassed.
We know, eventually,
That we will overcome.
We're not as proud as some,
But we're still **NUMBER ONE!**
We are the Junior Class!
1-9-8-2
We're the class of '82
A touch of class
And lots of fun
'Cause we're the class
That's **NUMBER ONE!**
Yeah! Rah! **JUNIORS!**

WHJE—Sights and Sounds

WHJE is the high school radio station manned by 24 student staff members. WHJE operates at 91.3 FM with an effective radiated power of 1,000 watts and is a part of the high school radio and television department, headed by Mr. Robert Nibarger. The Assistant Managers are Mr. T. Schoeller and Mr. H. Espey.

The radio station covers high school sports as well as the Indy 500 time trials. Special features include exclusive coverage of the Bishop Luers Swing Choir Contest, the State Band Day competition, elections, and Starlight Specials featuring well-known groups.

The radio station recently obtained a new Harris 9003 computer system. This makes WHJE the only high school station and one of the few educational stations in the country to have an automation system. This allows WHJE to operate 365 days per year. The station's hours include Sunday 9 a.m.-9 p.m., Monday-Thursday 6 a.m.-9 p.m., and Friday-Saturday 6 a.m.-12 a.m.

The radio department also has a summer program that trains 15 students.

The television department offers courses to give students the skills necessary to operate a television studio and control room. The students also acquire the skills necessary to produce and direct TV productions.

The entire radio and television department trains over 150 students every year.

Rookies Kiss & Tell

KISS AND TELL

This comedy, set in 1943, is about the mixup that comes because two girls, Corliss and Mildred, sell kisses at a bazaar. This escapade causes a feud between the girls' families. In the meantime, Mildred marries Corliss' brother Lenny, without telling their families. When Mildred finds out she is pregnant, Mildred's mother hears that someone is pregnant and claims it is Corliss. Not wanting to give away Mildred's secret, Corliss says it is true and Dexter from next door is the father. The truth comes out in the hilarious confrontation between the girls' fathers and a telegram from Lenny.

Jr. Miss

In October, Kristen Calhoun was chosen as Carmel's Jr. Miss.

The Junior Miss Pageant, developed to honor outstanding high school senior girls, is an adventure in learning. It is also an exciting experience in making new friends and meeting new challenges. Contestants are judged in five areas—Scholastic Achievement, Poise and Appearance, Creative and Performing Arts, Youth Fitness and Judges Interview.

After the contestants rehearsed for weeks preparing routines, the day of the pageant finally arrived. Contestants awoke early and participated in the most important part of the pageant—the Judges Interview, which was followed by a special luncheon. Final brush-up rehearsals came after lunch and everyone returned home to get ready for the night's competition. A reception followed the evening's competition.

During her reign, Kristen participated in the week long Indiana Junior Miss Pageant as well as other activities. At the stage competition she was selected First Runner-Up after being chosen one of the 12 finalists in the state.

This year's results were:

A candid look at Pinnacle

1

This year, for the first time, the *Pinnacle* staff was divided into two classes. First period students completed the dividers, the opening sixteen pages, the academics, sports, and senior album sections; second period students worked on the activities, ads, and sophomore and junior album sections. Editor Hope Pearson said, "The divided staff worked out better because we had more people to work on each section, but there was a problem with keeping up with what everyone in the other class was doing."

1. *PINNACLE* STAFF: row 1—Hope Pearson, Leah Kerr, Heidi Nisley, Julie Merder, Maureen Shanahan. row 2—Marcy Schuchman, Susan Stidham, Laurie Raimer, Sue Longhenry, Trisha Clark, Suzanne Shaffer, Stephanie Spardone. row 3—Adviser LaVonne Carnahan, Sarah Hovde, Ann McMullen, Nancy Feiwell, Lisa Maxwell, Jenny Gwinn, Brian Shera, Mike Wheasler. Not Pictured: Ken Armstrong, Lori Cowger, Nancy Holwick, Linda Hughes, Stephanie Knotts, Rhonda Shooltz. 2. Editor Hope Pearson and Adviser Mrs. Carnahan. 3. Susan Stidham. 4. Maureen Shanahan.

What became of the old-fashioned butcher?

Remember him? He knew how to trim a steak so it had just enough fat for great flavor . . . how to whop a pork special to make it crisp and tender . . . how to cut up a chicken with all the finesse of a brain surgeon . . . what happened to that real professional?

He's here at Joe O'Malia's!

. . . he and others like him. Because we believe you like it best when you're waited on by a real meat-specialist you can have confidence in. We don't think you want to buy meat that's been pre-packaged (you don't know when). You like to have a say in the thickness of your steak . . . in the amount of marbling in your roast . . . you don't want to buy a pig in a poke!

That's why, at O'Malia's we have old pros behind our meat counters . . . and some new pros, too . . . all with the conviction that your meat is too important to take a chance with. You want meat that will do the most for that new recipe . . . and that's the only kind you'll find here!

Come find, as others have, that . . .

THE WIZARD OF AHHHS.

From the moment you enter the world of Benihana, you'll know it's not just another restaurant.

You'll feel the warmth of the graceful oriental decor, the soft, relaxing samisen music. You'll be greeted by a kimono clad hostess and after a few moments you'll be ready for your oriental masterpiece. Ahhh.

Suddenly your chef appears and the feast begins. Prepared on a hibachi grill right before your very eyes.

For openers, there's onion soup, Japanese style. Next, crisp, green

salad. An appetizer of sizzling, succulent shrimp. Ahhh.

Then comes the main course: Your choice of entrees. Like tender boneless breasts of chicken. Specially selected steaks.

Plump lobster. Plus fresh bean sprouts. Mushrooms. Zucchini.

And onions. Sliced and diced into slender, mouth-watering slivers. And there's rice. And piping hot green tea. Ahhh.

Join us soon. It's a complete dinner—and it's all included in a magical experience you'll never forget. Ahhh.

The film, representing our memories, has been completed and is ready to come off the reel. It will now be carefully stored away so that these memories can be relived again and again. With a nostalgic fondness, students will remember the good times that have been captured at CANDID CARMEL.
